

Vern Only the safest place in America Today. You see, as buildings and grounds chairman, this facility is under the care of my person, which means, by extension, you are all under care of my person, and while anyone is under my person...Ginny!

Ginny Yes?

Vern I expect to be obeyed.

Ginny (*trying not to succumb to this*) I've... made a note of it.

Vern Give 'em the tour, Ginny.

Ginny Well I did have this later on the agenda, but I suppose we can break from procedure for this one matter.

Vern That's right.

Ginny [Windows, as you probably know when Vern..]

Vern Ginny.

(*She leans in a bit*)

Like I asked you to do it.

Ginny [Vern, I feel silly..]

Vern (*the final word*) Ginny.

(*Ginny stands at attention like she is reading a Royal Proclamation.*)

Ginny (*in a VERY British accent*) Upon the impeachment of the previous Buildings and Grounds Chairman... Marjorie -

(*They turn and glare once more*)

One Veronica Schultz was elected to the post and tasked with renovating this Community Centre. Under her direction, this facility was outfitted with a top-of-the-line security system.

Vern (*Stepping over to the security door*) Exhibit A. As you know, a point of contention between myself and the beautification committee was this security door. Though eventually we were all able to see eye to eye.

Ginny If anyone needs to step outside to the powder room during the breakfast, you are more than welcome to do so.

Vern (*to Marjorie*) Respectfully.

Vern Now, we won't be able to safely emerge from here for another four years. Good thing, I have enough dried food in the back for **[number of audience members attending plus cast minus one]** of the sisters here for exactly 208 weeks. If we ration it properly, we should just about make it.

Ginny Um... actually, if I may. We have **[correct number of audience members attending plus cast]** here at the meeting today.

Vern Right. So someone needs to be killed.

Ginny What?

Vern At some point.

Ginny What are you saying?

Vern Soon.

Ginny Is no one hearing this?

Vern We aren't gonna kill anyone important. It will probably be somebody -

(She motions her head towards Marjorie. The lesbians consider this.)

Ginny I guess that's not so bad... But four years! That's an awful long time to be together.

Vern Nooo! It'll be great. It'll be just like college.

Ginny Well yes. Except without the men of course.

(The other ladies look at each other. Smiles begin to creep. Maybe this isn't a bad thing?)

Ginny Or Rachel. My cat. She would have been sitting right by my front door waiting for me to come home. She's probably a puddle of whiskers by now.

(Vern consoles her)
